O R D E R

On October 26, 2001, Muhlenberg County Water District No. 3 ("Muhlenberg") applied for authority to increase certain non-recurring charges. Muhlenberg has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are equal to the expenses incurred to provide the associated services.
2. Muhlenberg requested an effective date of January 1, 2002.
3. The charges and policies set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after January 1, 2002.
2. Within 30 days of the date of this order, Muhlenberg shall file its revised tariff sheet setting out the charges approved in this Order.
